

Thank you for your interest in our CRAFTY TREASURES shows. We are always looking for new and unique crafters to be part of our team and upcoming shows.

To tell you a little about our group and our shows, I would like to introduce our CRAFTY TREASURES ladies - the owners, partners, as well as participant crafters, of the CRAFTY TREASURES shows: Sherri, Bonnie, Karen, Pat and Sharon. All of us are experienced crafters and collectively have over 40 years of experience with craft shows, often times being participants in the same shows. We have seen what has worked and not worked in past shows we have been in, and can collectively gather on that vast experience to present a well organized, well promoted and enjoyable show. We have a customer following from loyal previous customers, and also through advertising efforts, attract many new customers to each show. When some of our favorite annual show venues ceased to be, we decided to band together to be our own promoters and invite others to join us as crafters. We have gone a bit "high-tech" and have recently started a web page and an e-mail client base. You can visit us on the web at www.craftytreasures.com. Our web page is fairly new and we are in the process of developing enhancements for the future.

Our shows are juried so that we are not competing with one another and, as such, can offer our customers a wider selection of quality hand crafted items to choose from. Our shows are presented in a boutique-style, with focus areas and a central check out, which we feel most enhances our crafters quality products, and also heightens the shopping experience for the customer. Because of the boutique-style of show, we feel working as a team is essential to the success of the show and require the same participation requirements from all crafters.

Please read over the attached pages, and if you have any questions or concerns, please feel free to discuss them with any one of us.

If you are interested in participating in one of our shows, please call for more information, to be juried, or an application. We know our customers have many shows to choose from and we want to make them glad ours was one of their choices.
